

### **PRODUCT INFORMATION**

## Motorized Tunable Littman/Metcalf Laser System - Lion

### 633nm .. 2450nm | up to 100mW | motor tuning | patented technology

Motorized Littman / Metcalf Motorized Tunable External Cavity Diode Laser, 630nm .. 2450nm, up to 100mW, hands-off operation, fully remote controlled wavelength scans, large mode-hop free piezo tuning range, narrow linewidth, free space and fiber coupled versions. Check our ar-coated diode stock list for availability.
